

If passed by voters on May 15, 2018 the proposed \$619.7 million bond would increase the current property tax levy rate by an estimated \$1.24 per \$1,000 of assessed property value. If the bond does not pass, the additional tax would not be levied and the listed projects would not be completed. The Community Facilities Task Force reviewed all funding methods available to the district and recommended the School Board place a general obligation bond on the ballot for voters to consider. The district would receive an \$8,000,000 grant from the state if bonds are passed.

Battle Creek Elementary School

Battle Creek Elementary School is a two-story facility constructed in 2012. The school is within capacity with slowly increasing enrollment projected through 2025. Technology and communications improvements would provide expanded wireless capacity and intercom system upgrades. Bond funds would also be used to provide updated electronic key access to exterior doors.

If the bond passes:

Improvements

- Intercom system upgrades
- Card access system upgrades
- Expanded wireless capacity
