

If passed by voters on May 15, 2018 the proposed \$619.7 million bond would increase the current property tax levy rate by an estimated \$1.24 per \$1,000 of assessed property value. If the bond does not pass, the additional tax would not be levied and the listed projects would not be completed. The Community Facilities Task Force reviewed all funding methods available to the district and recommended the School Board place a general obligation bond on the ballot for voters to consider. The district would receive an \$8,000,000 grant from the state if bonds are passed.

Forest Ridge Elementary School

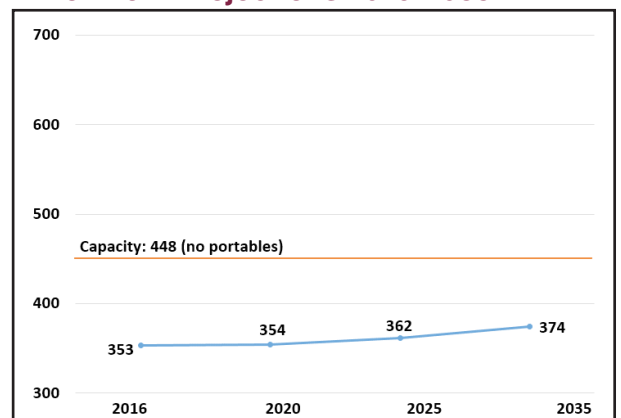

Forest Ridge Elementary School is a single-story facility constructed in 2002. The school is within capacity with stable enrollment projected through 2025. The identified building projects would include HVAC upgrades and music room improvements. Technology and communications improvements would provide expanded wireless capacity and intercom system upgrades. Bond funds would also be used to update the electronic key access system for exterior doors.

If the bond passes:

Improvements

- HVAC
- Music room improvements
- Intercom system upgrades
- Card access system upgrades
- Expanded wireless capacity

Enrollment Projections 2016-2035*

*Enrollment projections include an allowance for OLE students.
