

If passed by voters on May 15, 2018 the proposed \$619.7 million bond would increase the current property tax levy rate by an estimated \$1.24 per \$1,000 of assessed property value. If the bond does not pass, the additional tax would not be levied and the listed projects would not be completed. The Community Facilities Task Force reviewed all funding methods available to the district and recommended the School Board place a general obligation bond on the ballot for voters to consider. The district would receive an \$8,000,000 grant from the state if bonds are passed.

## Hoover Elementary School

Hoover Elementary School is a single-story facility constructed in 1951. Four (4) portable classrooms were added to address previous enrollment growth. The identified projects would increase the size of the cafeteria, add four (4) new classrooms and a multipurpose fitness room, expanding the capacity of the main building to meet projected student enrollment through 2025. Building improvement projects would include plumbing and heating/ventilation upgrades, as well as improvements to the library media center. Technology and communications improvements would provide expanded wireless capacity and intercom system upgrades. Bond funds would also be used to make changes to the visibility of the front entry from the office and update the electronic badge access system.

If the bond passes:

### Timeframe

2020 (construction start date)

### Additional/Expanded Space

- Four (4) new classrooms
- Multipurpose fitness room
- Cafeteria expansion
- Removal of portable classrooms

### Improvements

- Heating / ventilation
- Intercom system upgrades
- Plumbing
- Expanded wireless capacity
- Increase visibility of main entry from office
- Card access system updates
- Library media center

### Enrollment Projections 2016-2035\*
