

SALEM • KEIZER  
PUBLIC SCHOOLS

If passed by voters on May 15, 2018 the proposed \$619.7 million bond would increase the current property tax levy rate by an estimated \$1.24 per \$1,000 of assessed property value. If the bond does not pass, the additional tax would not be levied and the listed projects would not be completed. The Community Facilities Task Force reviewed all funding methods available to the district and recommended the School Board place a general obligation bond on the ballot for voters to consider. The district would receive an \$8,000,000 grant from the state if bonds are passed.

## McKinley Elementary School

McKinley Elementary School is a multi-story facility constructed in 1915. The identified building improvement projects would include library upgrades, music room improvements and plumbing improvements. The facility would receive technology and communications improvements, such as expanded wireless capacity and intercom system upgrades. Bond funds would also be used to provide improved supervision of the main entry, as well as make seismic upgrades.

If the bond passes:

### Improvements

- Plumbing
- Library improvements
- Music room improvements
- Intercom system upgrades
- Expanded wireless capacity
- Seismic improvements
- Security improvements to increase visibility of main entry from office
