

If passed by voters on May 15, 2018 the proposed \$619.7 million bond would increase the current property tax levy rate by an estimated \$1.24 per \$1,000 of assessed property value. If the bond does not pass, the additional tax would not be levied and the listed projects would not be completed. The Community Facilities Task Force reviewed all funding methods available to the district and recommended the School Board place a general obligation bond on the ballot for voters to consider. The district would receive an \$8,000,000 grant from the state if bonds are passed.

Weddle Elementary School

Weddle Elementary School is a single-story facility constructed in 2001. The identified building projects include roofing replacement and music room improvements. Technology and communications improvements would provide expanded wireless capacity and intercom system upgrades. Bond funds would also be used to update the electronic badge access system for exterior doors.

If the bond passes:

Improvements

- Roofing replacement
- Music room improvements
- Intercom system upgrades
- Expanded wireless capacity
- Card access system upgrades
