

- I: Relocation and expansion of Main Office for improved visibility and wayfinding.
- II: Expansion of existing commons.
- III: Career Technical Education (CTE) addition (supporting one large and one small CTE program area).
- IV: Two-story academic addition, including 16 general classrooms, two (2) science labs, flexible learning space, SPED support, and disbursed building support areas.

February 28, 2018 *The conceptual plan shows the proposed approach for addressing the identified renovation and/or expansion needs at this site; final design may differ following the site-based master planning process.*

If passed by voters on May 15, 2018, the proposed \$619.7 million bond would increase the current property tax levy rate by an estimated \$1.24 per \$1,000 of assessed property value. If not passed, the add'l tax would not be levied & the projects would not be completed.
